## NILFISK GD1000 DUST BAGS 5/PKT

Nilfisk GD1000 Dust Bags come in a pack of 5 and are designed for optimal performance with various Nilfisk vacuum models, including GD1000, GD1005, and GD1010. These bags feature a heavy-duty cardboard collar with a rubber membrane for a secure fit, double-walled construction for enhanced strength and filtration, and double-folded edges for additional durability. They effectively capture dust and debris, helping maintain a clean environment. The bags offer up to 50% longer life and improved suction power compared to standard vacuum bags
